VETERAN'S DAY 2018 1st MARCH at GOLDEN SQUARE. NAMES BY 23rd FEB.

The Bowling Section Committee has sent in two motions to the BBD Board. First is that the temperature of 38c be changed to 36c. Second, that the word "predicted" be put into the BBD Regulations.

Your input is welcomed. Talk to a Committee member!

Congratulations must go to the Division Pennant/Competitions Committee on their decision to cancel the past three Pennant games due to 11 days of extreme heat. Steve Drummond and Ruth Pearce are members of that Committee. The Committee were mindful of the welfare of the majority of bowlers in our Division and although some comments have been made, via Facebook, these have mainly come from younger players in Weekend Division One. The BBD BOARD has also commended the Committee for their actions at their meeting last night.

The Croquet Section do a wonderful job with their catering for the Spring Gully Dances. Their next dance will be on the 17th Feb. They are asking for four slices. If you can help that is great. They can be left in the fridge in the kitchen on the morning of Saturday the 17th.
